

23 December 1998

These maps are copies of the ones provided by the Patch Barracks Clinic. They are current as of December 1998, and are provided here for convenience only. While their accuracy is NOT the responsibility of the [United States European Command](#), we always welcome your [feedback](#) about our products and services.

Note that Force Protection measures have affected some of the maps, so please be sure to review all of the pages before beginning your journey.

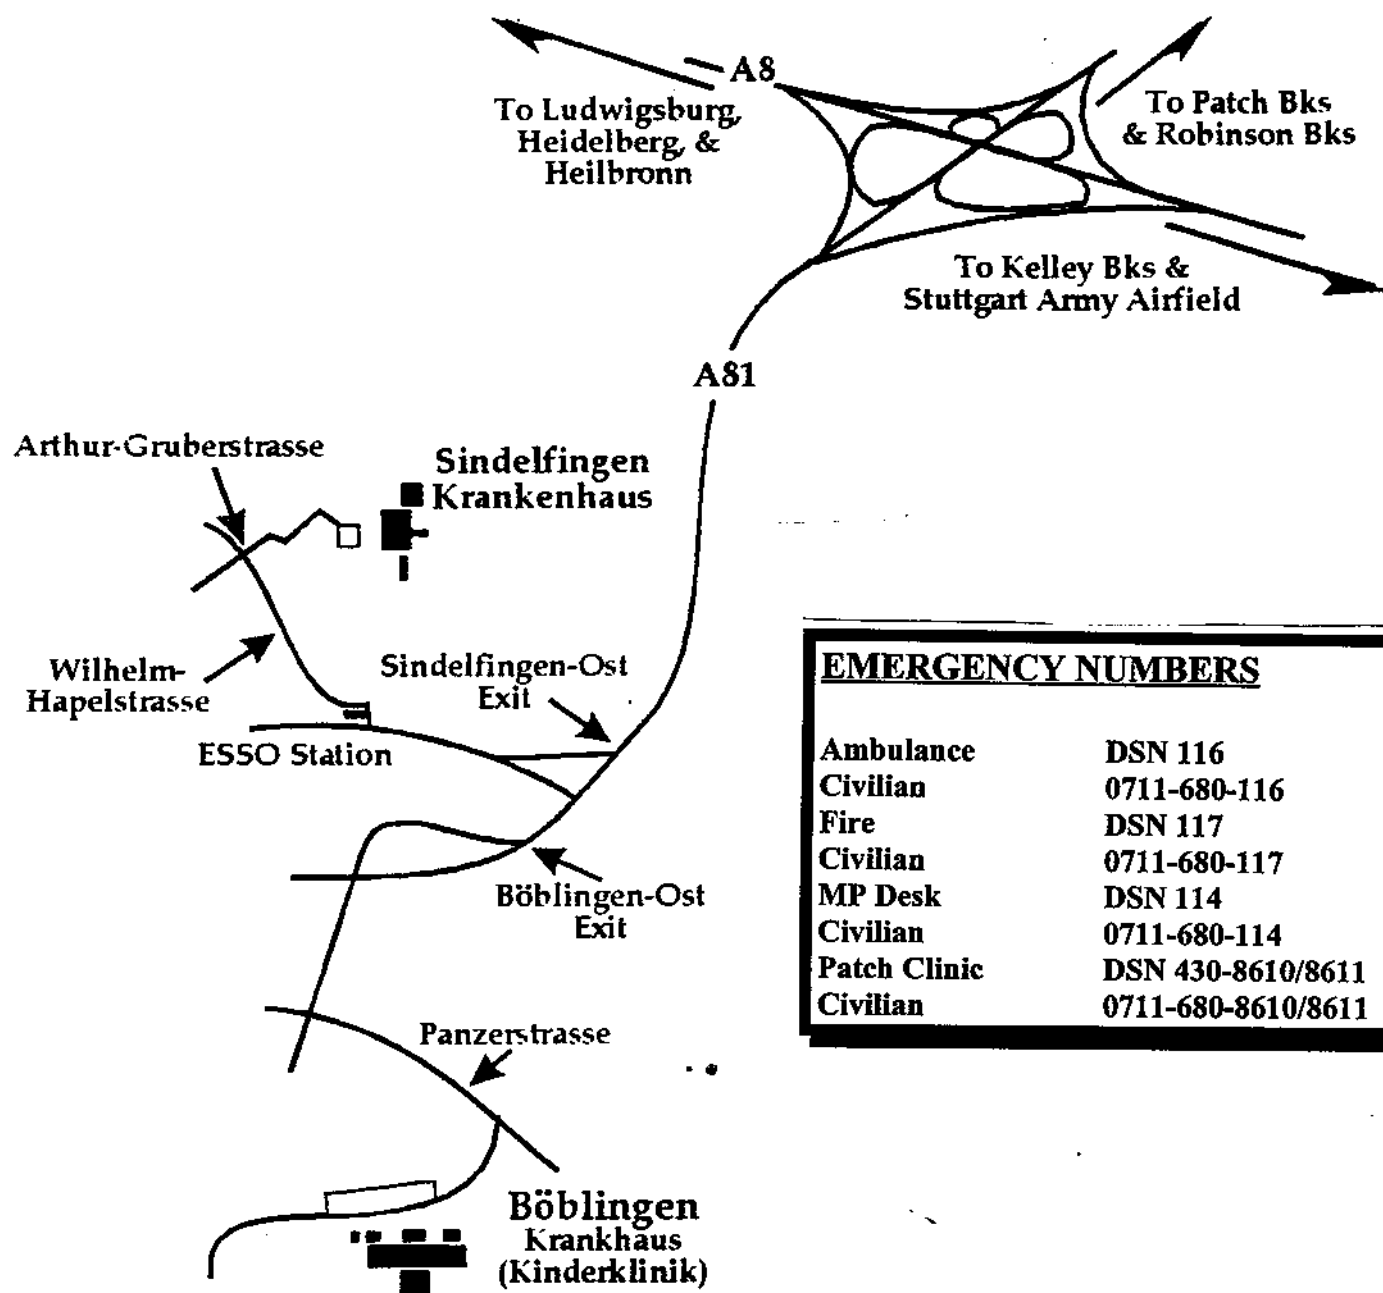

Thank you.

MAP TO THE HEIDELBERG HOSPITAL

Map is not to scale

Stoplight ○

DIRECTIONS TO THE U.S. ARMY HOSPITAL HEIDELBERG: →

Get to A5 headed toward Frankfurt by taking A8 or A81 and A6.

Exit A5 at the Patrick Henry Village/Schwetzingen exit.

After about 4 miles you will see a tall building with an ABB logo. Get into the right lane and turn right onto Carl-Benz Strasse. On this one-way street, get into the left lane and turn left at the "T" intersection.

Continue straight and get into the right lane. You will pass McDonald's on your left and Pizza Hut on your right. Cross the bridge over the railroad tracks. Make a right at the "T" intersection at the end of the bridge (you will see signs to the U.S. Army Hospital).

You will pass beneath a bridge. Campbell Barracks will be on your right and V Corps Headquarters will be on your left.

Follow this road straight and continue through the intersection where the Strassenbahn tracks merge from the left. After a few blocks, the front gate to Nachrichten Kaserne and The U.S. Army Hospital Heidelberg will be on your right.

If you enter the city of Leimen, you've gone too far.

As you pull into the Kaserne the hospital will be on your left. However, you cannot make the first left. You must continue straight past the clock-tower building and make the first left. Patient parking will be on your left. If you continue straight and take another left, there will be additional patient parking on your right.

DIRECTIONS BACK TO STUTTGART: →

Returning on Romerstrasse, the road will dip again under a bridge.

Get into the left lane and turn left at the next traffic light. Immediately get into the right lane as you cross back over the railroad tracks and turn right before McDonald's.

On this one-way street get into the left lane and turn left at the traffic light. Follow signs to Stuttgart.

LANDSTUHL RMC, Landstuhl, Germany—Due to the Force Protection measures taken by all military installations, access points to the Landstuhl Regional Medical Center are limited after duty hours and weekends.

Gate 1 (by the Emergency Room) is open 6 a.m. to 6 p.m. Monday – Friday, and 9 a.m. to 9 p.m. weekends and federal holidays. In addition, when there are poor road and weather conditions in the Kaiserslautern Military Community, Gate 1 may possibly be closed because of hazardous road conditions on the hill leading to the gate.

Gate 2 (Autobahn 62 - U.S. Hospital/Atzel exit) is the only access point that is open 24-hours a day, 7-days a week.

Gate 3 (by the softball field and the Landstuhl Housing Area) is open 6 a.m. to 6 p.m. Monday – Friday and closed weekends and federal holidays.

For more information, call 486-8144/7181 (civilian 06371-86-8144/7181) during duty hours, or 486-8106 (civilian 06371-86-8106) after duty hours.
